## ACC Research Collection Hierarchy (ARCH)

The ARCH includes classified and unclassified hard copy and electronic files. While the ARCH electronic files on the SIPR and NIPR include e-books or pdf version of books, unclassified hard copy books are located in the Command Historical Library (CHiLi) organized by two-letter series.

NOTE 1: Box-level detail reflects only the hard-copy portion of the collection. When conducting research, remember to also check the digital holdings on NIPR and SIPR.

NOTE 2: Series designated as “Collections” are *generally* closed and should not be modified (no additions).
